PAPA Roundtable Meeting!

DelGrosso's Park & Laguna Splash Director staff attended the annual Pennsylvania Amusement Park & Attractions (PAPA) roundtable meeting held at Hersheypark in late February.

This event is a great opportunity to discuss current issues within the amusement park industry, including recruiting, cashless, training, retention, and more.

Reading Across America!

Celebrating Dr. Seuss Read Across America Day!

Buddy Bear and Marketing Coordinator Amie Uliano-Parisi took a trip to Myer's Elementary in Bellwood to read to some of our buddies.

They read Buddy's Book *Buddy Bear and the Merry-Go-Round Mystery* and Dr. Suess's *Ten Apples On Top*. The students were very excited to see Buddy Bear and talk about their favorite things at the Park.

MFS Out And About

Marianna's Fundraisers Regional Sales Manager Juls Bratton shared with swim teams how they can DIVE into fundraising with our delicious hoagies and pizzas!

Juls attended the PA YMCA West Silver District Championships held at Hollidaysburg Area Senior High School in March.

Allied Milk Producers Annual Meeting

Allied has been a dedicated sponsor of the Park for many years, sponsoring both Summer Thunder and WPSU Kids' Day at the Park!

Marketing Director Amy Mearkle was asked to speak about this long-standing partnership at their annual meeting.

Amy is pictured with a PA Dairy Princess and Allied's Education Coordinator Eva Strang.

Park Antique Carouselle Ornament

DelGrosso's Park's 1924 Herschell-Spillman Carousel has been providing riders fun memories for almost a century. Now our guests can revisit those fond memories by purchasing our newest brass ornament depicting the Park's Antique Carouselle. From the excellent details on the rounding boards to the horses and band organ, this ornament is sure to bring back many great memories. The Carouselle Ornament can be purchased at the La Famiglia Gift Shop when the Park opens for the 2023 Season.

One of our Awesome Park Guests sent us this photo.

Xander and his family wrote:
"We can't wait for you to open. Had to go to Disney Hollywood Studios to hold us off!"

Super Bakery and DelGrosso Foods thanks everyone for their purchase of Franco's Immaculate Marinara.

Total jars sold in Pennsylvania supermarkets and through online sales raised over \$36,000 which is being donated to the Franciscan Sisters of the Poor and to local Pittsburgh charities.

We know that Franco would have been grateful for the support of this worthy project to help others. As he said, "A great sauce, a worthy cause, and an anniversary celebration, we have all the right ingredients."

Thank you, again! As we move forward, we will continue to honor Franco's memory by living up to the standards he set.

A Big Thank You to everyone who worked to fill an immediate order. We couldn't have done it without your help!

Scale Back on Screens

If you cringe when your weekly screen time report pops up on your phone, you're not alone. Many of us spend more time than we should looking at screens—from smartphones to computers to TVs.

Unfortunately, time spent looking at a screen usually means time not spent enjoying nature, being active, and connecting with family and friends. Excess screen time also comes with health risks. It can get in the way of a good night's sleep, cause vision problems, and contribute to mental health issues like depression.

If you're looking for a way to step away from screens, try these tactics:

- **Track your screen time.** Keeping track of how much time you spend looking at a screen will help you decide how much screen time to cut—and help you track your progress.
- **Turn off all but critical notifications.** Do you really need to know immediately when someone likes a social media post? App notifications are intended to get us to use the app more, so turn off all but true must-see alerts.
- **Delete time-sucking apps.** If you find yourself spending more time than you would like on an app, try deleting it entirely. You can always download it again later if you decide it's really necessary.
- **End all screen time well before bedtime.** Screens emit blue light. This can suppress your body's melatonin production, which can disrupt your sleep cycle. To prevent this, avoid extended screen time in the two hours before you want to sleep.

- **Put your phone on the other side of the room.** This will help you prevent those "I-didn't-even-know-I-was-doing-it" phone pickups.
- **Plan face-to-face activities.** If you're interacting with people, you're probably not looking at your phone.

Life is short

Our time here on Earth is very limited. Spend as much of your time as possible doing what truly brings you joy—not staring at a screen.
