

SONOS

SONOS

Brilliant Sound

The way it was meant to be heard.

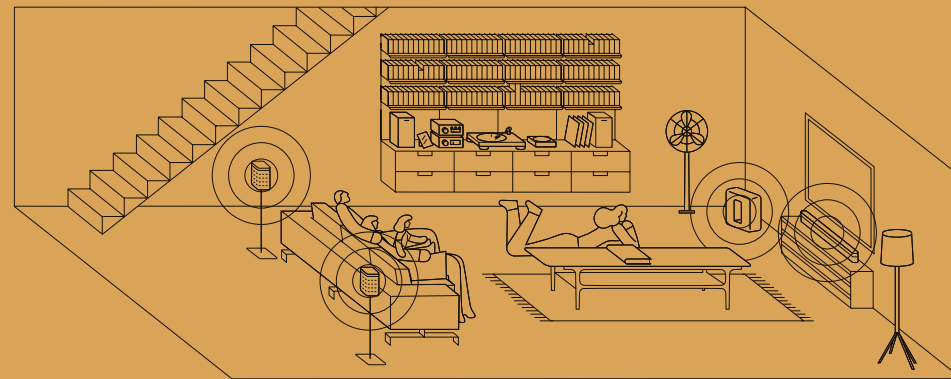

No matter what you want to listen to or the volume, Sonos fills the room with clear, detailed sound you can feel all around you.

Listen Your Way

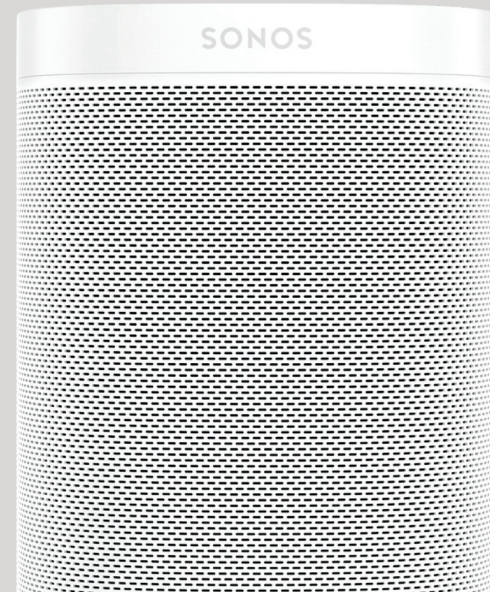

Create your perfect sound system.

Everything works together, and Sonos works with all your favorite services so you can listen to what you want, where you want, how you want.

Easy to Use

Control is simple with the Sonos app, Amazon Alexa, the Google Assistant, Apple AirPlay 2 and more.

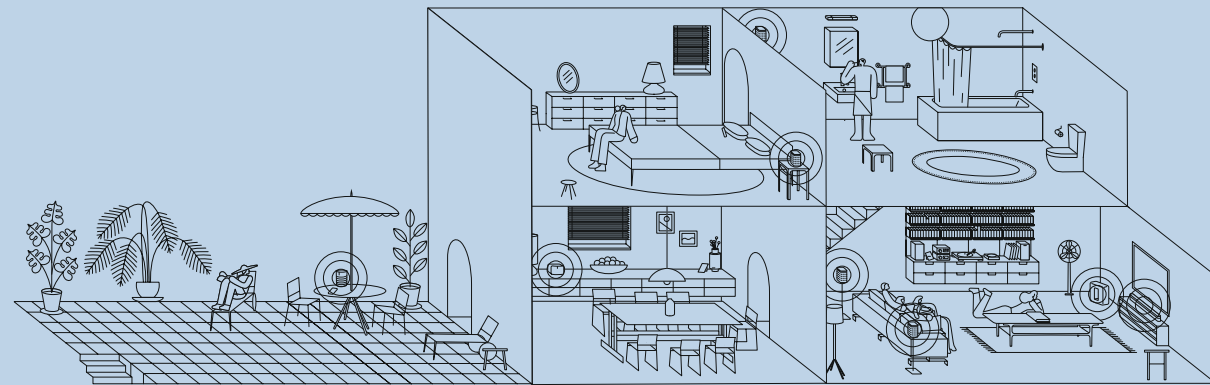

Customize your system

Start with one speaker and easily add more later. Stereo pair speakers in the same room for bolder, richer sound. Connect Sub to Arc or Beam for deeper bass, then add a pair of rear surrounds for immersive entertainment. Hook up your turntable to Five or Amp to stream vinyl all around your home.

Smart Home Control

Sonos integrates seamlessly with connected home leaders to help you get your music playing fast and easy. Whether it's with a 'Welcome' button on your hall keypad or a remote on your coffee table, it's never been an easier to control your Sonos system.

Brilliant sound for every room

The compact design fits just about any space. Put it on your kitchen countertop or tuck it away on your office bookshelf. It's humidity resistant so you can even put it in the bathroom.

One

The powerful smart speaker with voice control built in

- Rich, room-filling sound
- Compact and humidity resistant
- Works with Apple AirPlay 2
- Voice control with the Google Assistant and Amazon Alexa
- Pair with One SL for stereo separation
- Capacitive touch controls

Stereo sound with two

Pair with Sonos One or another One SL in the same room for stereo separation and more detailed sound. Use a pair as rear home theater surrounds with Arc or Beam.

One SL

The powerful microphone-free speaker for music and more

- Rich, room-filling sound
- Compact and humidity resistant
- Works with Apple AirPlay 2
- Pair with One for stereo separation and voice control
- Capacitive touch controls

Brilliant sound anywhere

Experience surprisingly deep bass, a wide soundscape, and automatic Trueplay™ tuning that perfectly balances the sound for where you are and what you're listening to.

Move

The durable, battery-powered smart speaker for outdoor and indoor listening

- Powerful sound and rich bass
- Listen anywhere with Bluetooth
- 10+ hours of battery life on a single charge
- Weather-resistant and ultra durable
- Works with Apple AirPlay 2*
- Voice control with the Google Assistant and Amazon Alexa*
- Capacitive touch controls

* When connected to WiFi

Brilliant sound in high fidelity

Experience vividly clear, room-filling sound for music and more with Five, tuned by renowned producer Giles Martin. Enjoy control with the Sonos app, Apple AirPlay 2, and more.

Five

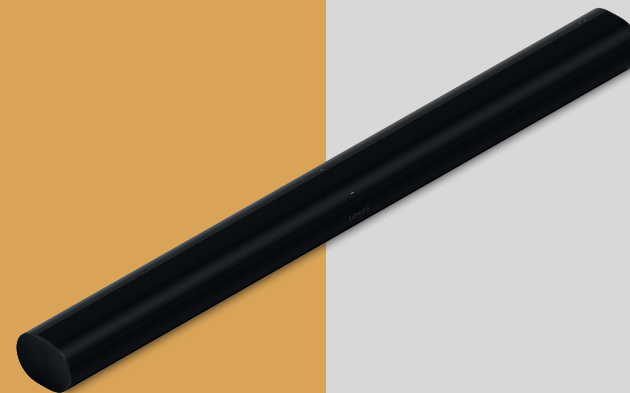

The high-fidelity speaker for superior sound

- High-fidelity sound for music and more
- Works with all your streaming services and Apple AirPlay 2
- Supports high-resolution audio
- Line-in port for connecting a turntable or other device
- Versatile design with smart orientation sensing

Cinematic Sound

Bring all your entertainment to life with the brilliantly realistic sound of Arc, featuring Dolby Atmos. Enjoy control with your remote, the app, your voice, and Apple Airplay 2.

Arc

The premium smart soundbar for TV, movies, music, gaming, and more

- 3D sound with Dolby Atmos
- Eleven high-performance drivers for rich bass and clear dialogue
- Stream music and more when the TV is off
- Voice control with the Google Assistant and Amazon Alexa
- Simple setup with HDMI eARC and automatic remote sync
- Works with Apple AirPlay 2

Hear every word clearly

Beam was specifically tuned by Oscar-winning sound engineers to emphasize the sound of the human voice so you can always follow the story.

Beam

The smart, compact soundbar for TV, music, and more

- Five custom amplifiers for a wide soundscape and clear dialogue
- Control with your TV remote
- Simple setup with only two cords
- Works with Apple AirPlay 2
- Voice control with the Google Assistant and Amazon Alexa
- Capacitive touch controls

Brilliant sound you can feel

Hear and feel the
difference when you
connect Sub to any
Sonos system.

Sub

The wireless subwoofer for deep bass

- Deep bass for music, home theater, and more
- Two force-canceling drivers deliver pure bass with no rattle or distortion
- Award-winning, versatile design can stand upright or be laid flat
- Simple to connect to any Sonos system over WiFi
- Pair two Subs together

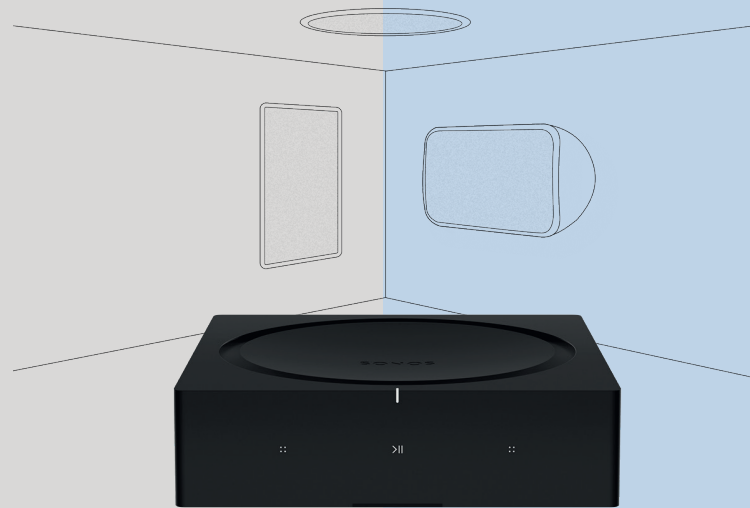

Designed to blend in

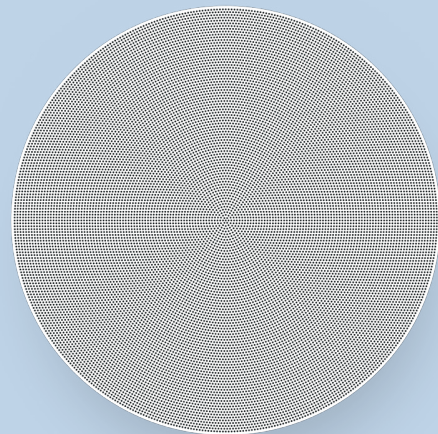

Sonos Architectural powered by Amp

Create an invisible Sonos system, and
enjoy crystal clear sound and comfortable
listening from anywhere in the room.

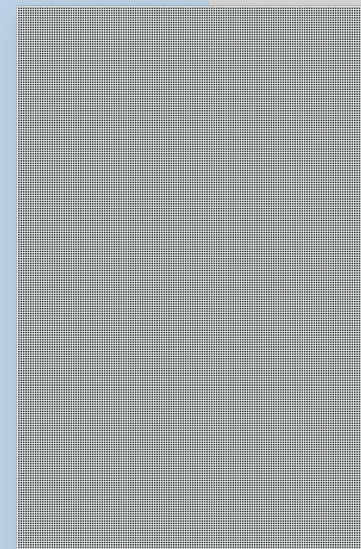

SONOS | SONANCE
Sonos Architectural by Sonance

In-Ceiling Speaker (Pair)

**The architectural speakers by
Sonance for ambient listening**

- Rich sound for the entire room
- Passive speakers designed to be powered by Amp
- Amp powers up to three pairs
- Grille can be painted to match your ceiling
- Optional square grille sold separately

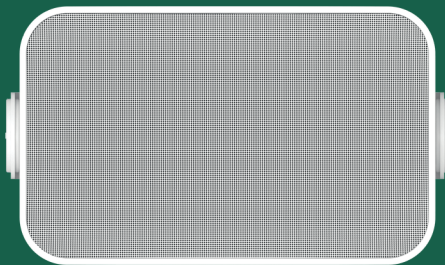

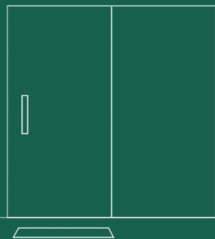

In-Wall Speaker (Pair)

**The architectural speakers by
Sonance for focused listening**

- Bold sound from wall to wall
- Passive speakers designed to be powered by Amp
- Amp powers up to three pairs
- Grille can be painted to match your walls

Weatherproof

These speakers are engineered to withstand humidity, water, salt spray, heat, UV rays, and freezing temperatures.

Outdoor Speaker (Pair)

The architectural speakers by Sonance for outdoor listening

- Vibrant outdoor sound for your backyard or patio
- Passive speakers designed to be powered by Amp
- Amp powers up to three pairs
- Weatherproof for year-round use

Amplify your TV experience

Enjoy stereo sound for shows, movies, and video games when you connect Amp to your speakers and TV. Wirelessly add a pair of Sonos One surrounds for immersive home theater.

Amp

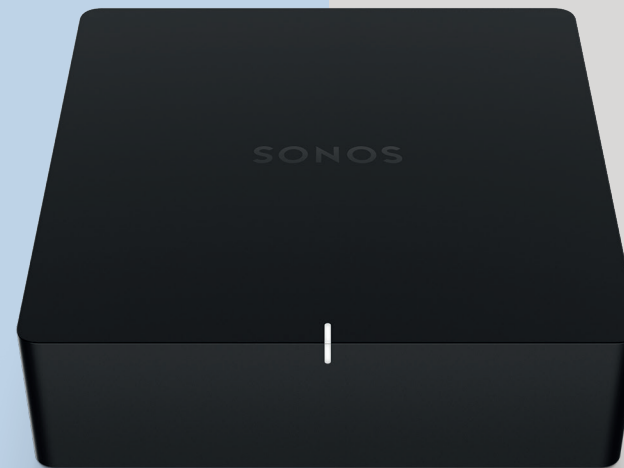

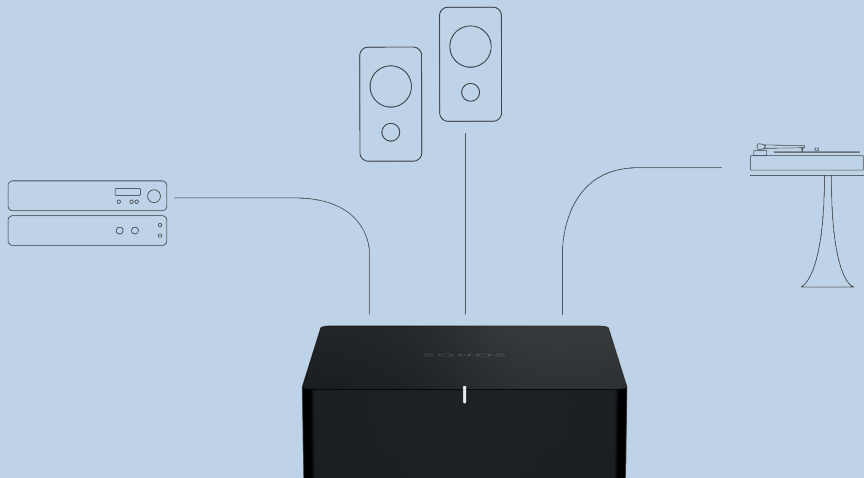

The versatile amplifier for powering all your entertainment

- Brings the Sonos experience to passive speakers
- High fidelity and performance with 125 W per channel
- HDMI ARC for connecting a TV
- Works with Apple AirPlay 2
- Capacitive touch controls

Stream all your favorites

Enjoy music, podcasts, audiobooks, and internet radio with your amplified audio equipment.

You can also stream vinyl, CDs, and stored audio files to Sonos speakers in other rooms of your home.

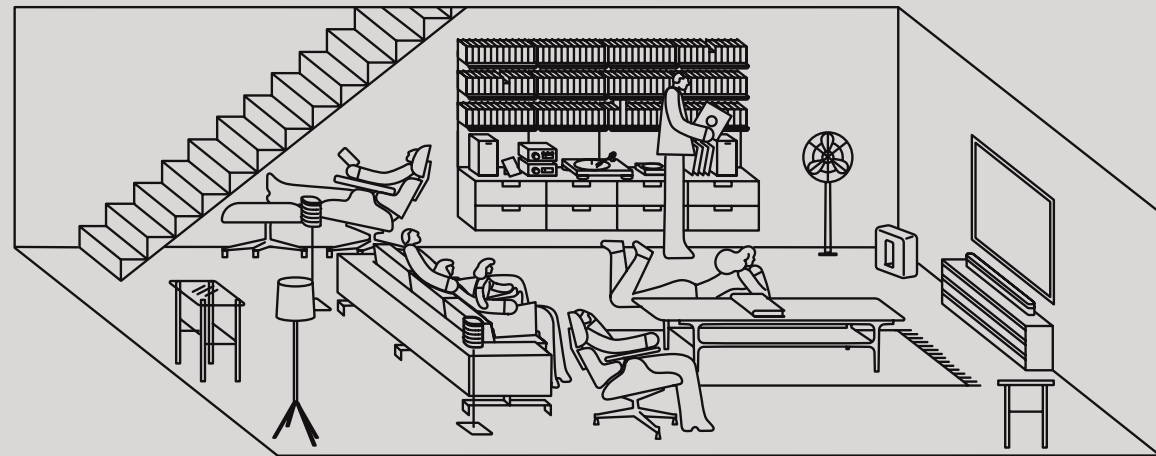

Port

The versatile streaming component for your stereo or receiver

- Turns traditional audio equipment into a Sonos system
- 12V trigger automatically turns on your amplifier or receiver
- Line-in for connecting a turntable or other device
- Analog and digital outputs
- Works with Apple AirPlay 2

Experience cinematic sound at home with curated speaker sets

Transform your home into the front row of the theater with an immersive surround sound system for movies, shows, gaming, music, and more.

Smart Sound Speaker Set

Listen in any or every room

Seamlessly experience brilliant sound from room to room.

Includes: 4 Sonos Ones

Cinematic Surround Speaker Set

Theater Quality

Bring all your entertainment to life with cinematic surround sound.
Easily connect your system over WiFi and enjoy control with your remote, the app, and your voice.

Includes: Sonos Arc, Mount, 2 Sonos Ones, Two Mounts and Sub

The Ultimate Sound System Speaker Set

Design and install your dream smart sound system

Start or expand your Sonos system with sets for stereo pairing, home theater, and multiroom listening.

Includes: Sonos Arc + mount, 2 Sonos Ones + 2 mounts, Sub, Move, 4 Sonos by Sonance In-Ceiling (two pairs) 2 Sonos by Sonance Outdoor (1 pair) | 2x Amps

Indoor Outdoor Speaker Set

Get brilliant sound at home and beyond

Control with your voice, the Sonos app, and Apple AirPlay 2 on WiFi, and stream via Bluetooth everywhere else.

Includes: Arc + mount, 6 Sonos Ones, 2 mounts, Sub and Move

Arc Mount

Securely affix your soundbar to the wall with this mount, designed and made by Sonos.

Arc smartly detects when it is attached to the mount and automatically adjusts the EQ to temper bass resonance from the wall.

One and One SL Mount

A custom-designed wall mount for your speaker.

Place your speaker at or above head level to fill any space with the brilliant sound of Sonos.

Compatible with: One, One SL, Play:1

Pair of Sonos Stands

Custom-designed speaker stands for One and One SL surrounds or stereo pairs

Featuring the same color, material, and finish as One, these stands become an extension of the speaker and feel more like a home furnishing than a tech accessory.

Sonos Shelf

A space-saving solution for Sonos One and One SL

Create a new space above your kitchen countertop or beside your bed. Shelf is reversible so you can orient your speaker to either the right or left side.

SONOS

Sound customized to your home

Amp unlocks Trueplay™, which accounts for the size, construction, and layout of the room where the speakers are placed and adjusts for the best possible sound.
