## Honeycomb & Latour Cellular Shades

Effective 01/01/2024

# how to use this document

To determine what Enlightened Style Honeycomb and Latour Cellular products qualify for the Federal Tax Credit, please follow the steps below.

- 1) Determine the Climate Zone (see below) of the residence where the shades will be installed. This step is crucial because the specific fabric and operating system configurations that qualify for the Federal Tax Credit may vary based on the residence's Climate Zone.
- 2) Refer to the Product Qualification Reference Chart, which can be found on Pages 3 and 4. Fabrics not listed on these pages do not qualify.
- 3) In the Product Qualification Reference Chart, find the fabric, operating system and Climate Zone.
  - If the fabric falls within a **LIGHT BLUE** area, the fabric qualifies for the Federal Tax Credit. Available operating systems include Smart Home Collection\* and Cordless Lift in both Bottom-Up and Top-Down/Bottom-Up.
  - If the fabric falls within a **DARK BLUE** area, not all options qualify for the Federal Tax Credit. Refer to the Qualifying/Non-Qualifying Size Grids, for the applicable operating systems.

- 4) Within the Qualifying/Non-Qualifying Size Grids: find the specific fabric, operating system, and size of the product.

- If the size of the product falls within a **LIGHT BLUE** area, that specific product configuration qualifies.
- If the size of the product falls within a **DARK BLUE** area, the specific product configuration **DOES NOT QUALIFY**.

**IMPORTANT:** Any products purchased with the following systems and design options **DO NOT QUALIFY**:

- Smart Home Collection operating system without the Smart Home Collection Bridge
- End Mount
- Outside Mount
- Cut-Outs
- Two-on-One Headrail
- Three-on-One Headrail
- Two-Fabric Combo
- Specialty Shapes
- Vertical Application
- Skylights
- Arches
- TriLight Shades®

## HOW TO DETERMINE YOUR CLIMATE ZONE

**CLICK HERE**, or scan the QR code to access The International Code Council website. Your Zone will be noted beside your State and County.

\* Smart Home Collection shades must be purchased with Smart Home Collection Bridge in order to qualify.
